MEDICINAL.

As Dr. Pierce's Favorite Prescription for womanly diseases. No one knows this better than the woman who has tried local doctors and many medicines and found no cure until she began the use of "Favorite Prescription." It establishes regularity, stops weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong and sick women well.

women well.

"I was troubled for three years with ulceration and female weakness and my doctor gave me but little relief," writes Mrs. Lulu Hunter, of Allenton, St. Louis Co., Mo. "I saw an advertisement in the paper of Doctor Fierce's Favorite Prescription. I began the use of it about a year ago. I took five bottles of it, and one bottle of "Golden Medical Discovery," and my health is better now than it was for years. I have also recommended these medicines to some of my friends, who suffered from female weakness, and good results have followed."

TO REBUILD AQUEDUCT BRIDGE In his report on the bill for the rebuilding of the Aqueduct bridge by the Great Falls and Old Dominion Railroad Company, which was submitted to the House yesterday, Mr. Latimer, from

bis, says:
"The bill prepared by the Commis sioners makes no appropriation, but requires the rathroad company to deposit the amount of money necessary to do this work with the collector of taxes for the Dis rict of Columbia, and when such deposit is made the Commissioners are authorized to proceed with the

"The bill provides for the rebuilding or repair of the superstructure of the Aqueduct bridge upon the deposit of the funds necessary for that purpose by the Great Falls and Old Dominion Railroad Company, so as to provide for the laying of a single track on the bridge for the use of the electric railways desiring to cross the same.

"The railroad company is required, within thirty days after the passage of the act to deposit with the collector of taxes \$1,000, and an additional sum of \$24,000 within one year, and no work

\$24,000 within one year, and no work -hail be done by the commissioners or under their direction until the full amount of \$25,000 shall be in their hand. This sum is the amount estimated by the commissioners to e necessary for this work, but in addition to this the commissioners may at any time during the progress of the work call upon the railroad company for a further deposit of \$5 000 to meet any contingencies. The \$1,000 to be deposited within, three months after the passage of the act is to be absolutely forfeited to the District of

be absolutely forfeited to the District of Columbia in case the additional deposits are not made, and if all of the deposits are not made within the time precibed in the set all rights conferred by the same shall be forfeited.

"The railroad company is permitted, after the completion of the work by the commissioners or during the progress of such work as may be directed by the commissioners, to lay a single track upon the bridge and across M street and in Thirty-sixth street, and to connect its tracks over its right of way in Virginia and in the District of Colum-

Virginia and in the District of Colum-bis with the track on the bridge. "Provision is made in the bill for the use of the tracks authorized to be con-tructed by any other electric railroad or railroads upon terms which require such other railroad or railroads to pay a just proportional Share of the costs of the necessary repairs; and when it shall appear to the Commissioners that such proportional part of such case shall have been paid they may then permit such other railroad or railroads to use

the tracks.
"The bill provides for the regulation and control by the Commissioners of the District of Columbia of the rates of fare, peration of cars, rate of speed, size and weight of cars, and penalties are im-posed for any infraction of the regula-tions. In case of a disagreement as to the proportional part of costs to be paid

the proportional part of costs to be paid by any other railroad company using the track, authority is given to the in-terested party to proceed in the Supreme Court of the District of Columbia.

"The legislation provided for in the substitute bill prepared by the Com-missioners appears to protect the in-terests of the District of Columbia, and it is believed that the conven-tence of the citizens and the ience of the citizens and the public interests will be subserved by public interests will be subserved by thus giving the opportunity to a large number of people who daily go to Washington of crossing the bridge on a street car in place of walking, as at

"The Great Falls and Old Dominion Railroad Company, under its charter from the State of Virginia, will put into operation an electric railway line from Georgetown to the Great Falls of the Potomac along the Virginia side of the Potomac river.
